PUBLIC NOTICES

About Public Notices

Public notices inform citizens about the activities of government bodies — such as budgets and public hearings, upcoming meetings and elections — so that citizens can make their opinions known before an action is taken or a rule or law is made. They also include information about foreclosures, unclaimed and forfeited property, estate claims and probate notices, summons, and calls for bids.

The four characteristics of public notices:
• They must be published by an independent and neutral third party.
• They must be archived.
• They must be accessible to the public.
• The public must be able to verify that the notice was not altered once published.

Newspapers provide an independent and archived record of public notices, accessible in print and online, and provide affidavits of publication when requested.

Public notices in newspapers protect the right of due process as guaranteed to Americans by the Constitution.

EO-8758 NOTICE OF MEASURE ELECTION
Date of Notice: 2/16/2017
Name of District: Hermiston SD #8R
Name of County: Umatilla
Date of Election: May 16, 2017

Caption: Bonds Allowing Possible Grant for Safety, Security and Facility Improvements

Question: Shall Hermiston School District issue \$104,805,000 in bonds to improve schools and qualify for possible State matching grant? If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.

Summary:
This measure would extend the life of, and improve security at, the high school and elementary buildings. The District is on the waiting list to receive a maximum \$5,760,731 million State grant which will be available only if voters approve these bonds. The bonds along with grant funds, if received, are expected to fund:
- Replace Rocky Heights Elementary.
- Construct new elementary school (Theater Lane).
- Expand High School.
- HVAC upgrades and other deferred maintenance at Sandstone Middle School.
- Replace Highland Hills Elementary.
- Parking improvements and expansion for the High School.
- Capitalized Interest.
- SMS Engineer upgrades and parking.
- Site improvements, demolition, instructional materials, furnishing, equipping of projects and bond issuance costs.

The District would establish a citizen oversight committee to ensure bond proceeds are used as indicated.

Bonds would mature in not to exceed 24 years from issuance. The estimated additional tax rate for these bonds is \$0.90 per \$1,000 of assessed property value. Actual levy rate may differ due to changes in interest rates and/or assessed value.
