Historically Known as the Dr. W G Cole Home

This majestic property overlooks downtown Main St. and the Arts Center on a corner lot with gardens, patio, and garage. Dr. Cole, the first surgeon at St. Anthony Hospital, started construction in 1902. Enjoy many original details of this magnificent home and many upgrades in function, mechanical, and structure by the current owners. The home has 5 bedrooms, 4 bathrooms, 3 kitchens, library, formal parlor, family parlor, music room, family room, 2 sitting rooms, 3 dining rooms and more in over 5200 sq ft. Not included in that space is an attic of 800 sq ft that was originally designed to be a ballroom but not completed. This landmark property could be a wonderful family home, B and B or perhaps repurposed as short-term executive suites.
