**HOROSCOPES**  
By Holiday

SATURDAY, MARCH 18, 2017

**ARIES** (March 21-April 19). Though of course you want to succeed, there's a down side to knocking it out of the park. It sets up a future expectation that you may or may not want to live up to. Think carefully before you set a precedent.

**TAURUS** (April 20-May 20). To avoid wasted effort, get more clarity around what you're attempting to do. Improved communication will be key and this includes communicating with your own feelings and instincts.

**GEMINI** (May 21-June 21). All will be enhanced by social connections. Instead of connecting with people haphazardly when it's convenient or when there's a pressing and obvious need, create a structure that will allow you to engage others often.

**CANCER** (June 22-July 22). Though the result of someone's efforts to impress you may not have the impact on your psyche that was intended, it will still feel pretty flattering to know you're the cause of such a fuss.

**LEO** (July 23-Aug. 22). Time is the currency of productivity. How you manage yours today will be the difference between a hit and a miss. You've a strong instinct for what's important. All you have to do is honor it.

**VIRGO** (Aug. 23-Sept. 22). You'll clear up a misunderstanding within seconds, as long as you are aware that there is one. Go over recent communication. Check in to make sure that you've heard and have been heard correctly.

**LIBRA** (Sept. 23-Oct. 23). Whether winning or losing, for those who are in the battle, life is about fighting. The real victors today will be the ones who forgo the fight in favor of finding something to agree on and accomplish together.

**SCORPIO** (Oct. 24-Nov. 21). Rituals are a way of symbolically processing life so you can realistically process it with greater ease. A ritual you create to help you move past your sticking point will be most effective, resonating deeply to free you.

**SAGITTARIUS** (Nov. 22-Dec. 21). Exaggerated fears can cause social discomfort. It doesn't have to be this way, though you may have to make a few mistakes first to understand that it's not that big of a deal to flub here and there.

**CAPRICORN** (Dec. 22-Jan. 19). When you provide people with reasons to accept you, you'll earn acceptance but feel nothing. If you don't make any effort and are accepted anyway, you'll feel loved.

**AQUARIUS** (Jan. 20-Feb. 18). Don't waste the day by trying to prolong it. Efficiency will be the enemy of passion. Burn the hours in exciting, pointless ways and you'll make lasting memories, too.

**PISCES** (Feb. 19-March 20). Chances are that you are imagining a risk as much greater than it really is. You are, in a sense, "elevating the plank" that you'd theoretically walk were you to be punished. There is no plank, really, just an optional diving board.

**TODAY'S BIRTHDAY** (March 18). Balance and moderation are the norm this year, and yet there are some things you simply won't be able to do small: for instance, love. The more you invest, the more you feel. You'll have terrific luck with a sale in June. September renews old relationships. December will be a lucky time to move or build. Taurus and Gemini adore you. Your lucky numbers are: 6, 30, 22, 49 and 11.

**Transportation Solutions**

"We are a regional transportation company with drivers and vehicles stationed in six cities. We occasionally run classified help wanted ads in various publications in the northwest when we have driver openings. Sometimes our classified ad draws very few results (depending on the time of year) so we must repeat the ad. This recently occurred with a week long ad we ran in the East Oregonian.

Our classified ad representative, Dayle S. expressed concern about the lack of success in our ad and asked our permission to enhance the ad to garner a better response. She revamped the ad which we were very impressed with. The response to her revamped ad was dramatic and we are SO SO impressed with the unsolicited service Dayle provided.

Out of all the publications we advertise in, this was the first time an ad representative took the time to assist us with a more effective ad. Anytime we need a classified ad in the East Oregonian, we will require that Dayle is the one who places our ad. Of the six cities we advertise in, Dayle with the East Oregonian is the very best classified ad consultant we have ever worked with."
