HOROSCOPES By Holiday

WEDNESDAY, APRIL 5, 2017

ARIES (March 21-April 19). If it's meant for you, it will happen for you. You can certainly make things happen that aren't a good fit for you, but why would you? It's a wasted effort when there's so much wonderful stuff that suits you perfectly.

TAURUS (April 20-May 20). Don't have a good plan? Don't have a plan at all? No worries. You'll have an adventure. And if your friend is in this with you, you'll also have a bonding moment for the ages.

GEMINI (May 21-June 21). You're a fan. You don't expect anything in return for the veneration. In fact, you believe you're richer for giving it. Nonetheless, you'll get some love back from the realm of your admiration.

CANCER (June 22-July 22). You love the truth. It doesn't always love you back. In fact, sometimes you wonder if it was worth pursuing. In the end, you're better for knowing. This is all adding up to something important.

LEO (July 23-Aug. 22). You quest to see what the sun sees. All of it. You want to know what's fully, brightly illuminated above the clouds, and you want to play in the shadows under the sea. In every way, you're ready to know and experience more.

VIRGO (Aug. 23-Sept. 22). The speedy solution happens because you need it to. The most important thing is that it gets done, not that it gets done in any particular way. Much relies on your flexible approach.

LIBRA (Sept. 23-Oct. 23). Today's situation is ideal not because of what it has but because of what it lacks. Creativity and resourcefulness will be born out of grave necessity.

SCORPIO (Oct. 24-Nov. 21). Those who drive and those who go along for the ride will end up in the same place. A break from ambition will be healthy. A lazy mood might be just the thing you need. Insights emerge from a relaxed mind.

SAGITTARIUS (Nov. 22-Dec. 21). Those with big egos will fight when challenged. When you come up against someone's pride, be careful. Note that some people feel like their pride is all they have.

CAPRICORN (Dec. 22-Jan. 19). You know where you're going and you know how to get there. In fact, you know several ways: the main road, the alternate roads, the scenic route and the shortcut. Choosing is the hard part!

AQUARIUS (Jan. 20-Feb. 18). There's a review process underway. You can't always make sense of the past, but you can live right now in a way that makes sense to you and hope for the best.

PISCES (Feb. 19-March 20). You live to entertain. Today this includes not talking about what doesn't pertain to the people around you -- although you might be surprised what people find relevant.

TODAY'S BIRTHDAY (April 5). Take your time in love. You'll never regret the hours of getting to know another person. A less-than-optimal situation will turn around in May. Freedom at last! June brings financial good fortune. July is your chance to risk and learn. This will require you to leave the safe confines of home. Capricorn and Scorpio adore you. Your lucky numbers are: 5, 16, 44, 28 and 45.
