a lot better. Also, the ones who are in the know will be impressed and perhaps flattered by your curiosity.

GEMINI (May 21-June 21). You'll use your freewheeling spontaneity to capture the attention and interest of your intended. After that, though, self-discipline and organization are needed. Relationships thrive with structure.

CANCER (June 22-July 22). Maybe vou're the universal favorite child of the day. People around you will seem to be working just for you. Or maybe it's just that just that your needs are in ment with what others want most alia to give

LEO (July 23-Aug. 22). The concerns of humans may be an infinitesimal point in the immensity of the universe, but that doesn't keep them from feeling like a large weight to one person. Bottom line, if it's a big deal to you, it's a big deal.

VIRGO (Aug. 23-Sept. 22). Since you know that when you say yes your hyper-vigilance will kick in and you'll give your very all to the thing, you're very careful about what you say yes to today

LIBRA (Sept. 23-Oct. 23). It will be rather easy to see the dim shadows of life this morning. Once you change the channel, everywhere you look you you today you'll see life happening in a kind of glad, rejoicing action.

SCORPIO (Oct. 24-Nov. 21). An emotion is like a sound: It's an internal interpretation of an external vibration. The vibration is not the feeling Feelings don't exist around us. They are made inside us and can be remade their. too.

SAGITTARIUS (Nov. 22-Dec. 21) Time to refer to your role models. vou are not moved to do so, it's a sign that you may need to add a new role model. Search high and low for inspiration. P.S.: Your role model does not have to accessible or even alive

CAPRICORN (Dec. 22-Jan. 19). It's good to know that change is coming, as you dislike having change sprung on you at the last second. The excellent communicators who let you know what to expect will win your loyalty.

AQUARIUS (Jan. 20-Feb. 18). You're not waiting for another person to make the situation better. You sense that most of the charges that matter will come from you. You roll up your sleeves and get busy.

PISCES (Feb. 19-March 20). Like a laptop featuring an on-screen spinning ball, information overload could have you feeling hot and confused. What helps is a way of categorizing and processing this. Use these two processing this. Use these two categories to start: "Actionable" or "Not actionable."

TODAY'S BIRTHDAY (April 11). Don't worry about labeling your pursuits of the next 10 weeks. Your interest may seem scattered and random, but something remarkable is coming together here. In June you'll get a clear plan and your project will grow to the perfect beautiful size. The same love affair will take many forms this solar return. Leo and Capricorn adore you. Your lucky numbers are: 6, 20, 33, 28 and 15.
