

LOT 1

## GENO BEE

GRADE • YEAR 2015 • JOHN MULE

Consignor: Pamela Bailey, Yakima WA

**NOTE:** Hi, I'm Geno Bee. My mommy needs to thin the herd, so here I am. I am 3 years old, 14.2 hands, a brown John mule. Good with my feet, and I lead great. Been ponied many times in the mountains and other places. Packed lightly, gone over logs and through water. Have not been ridden yet. I know how to high line. If need be, I can also wear a horse blanket. Not been hunting yet, but the neighbors next-door do a lot of target practicing, so I'm used to hearing their guns. I know I can do a great job for you, too. 509-930-0861. **Stall 1**
