MADAMS MARTHA

Consignor: Craig Wilder, Ferndale, WA

NOTE: Bay registered paint mare, papers in order, 17 years old. Has been used for barrels, stake race, ranch sorting, and was used by previous owner for some mounted shooting, breakaway roping, packing orphan calves in from the field, trails, and produced two nice foals. Tested negative for PSSM & OLWS. We are her second owner, she was bred and raised by original owners. This mare is all business, and not for a timid or beginner rider. A competitive youth could really enjoy her! Runs in a little S hackamore with tie down. Won't run by a barrel. Stands approx. 15 hh and has good ground manners. Trailers, clips, bathes, etc. Good on fences. Currently hauling to fun events and pleasure riding. Nice feet, we have been riding her barefoot with no issues. **Stall 7**

We have checked and moved cattle on him, he's had arena training. Stretch is a nice smooth traveler, he has a good disposition and is ready to go any direction. **Pen 22**

This is a really nice fun to ride geld that is honest and ready to be your go-to horse. **Pen 23**
