His sire, Blue Zeus Hancock, is a 16 hands and 1,300 pound gentle giant that is real easy to be around. His dam GTM Red Pepper is 14-3 hands and 1,200 pounds, a real sweetheart and a 10-year-old boy was riding her as a 3-year-old the day I bought her. King 12x, Leo 8x & Driftwood 4 times. Ride him or breed mares with him, either way you will like him and be in the Joe Hancock-Blue Valentine-Driftwood Roan business.
