PAINT

GRADE • YEAR 2013 • TOBIANO GELDING

Consignor: Christopher Lawson, Altamont, OR

NOTE: This is a 4-year-old grade gelding that has approximately 60 days with Hector Pena. Been used around a feed lot. I really like this horse and would like to keep him. But I'm 63 years old and have gone through four shoulder surgeries and one on my knee. My wife says I shouldn't be riding a colt anymore. So I have reluctantly decided to sell him. **Stall 10**
