APPLICATION DEADLINE: Open Until Filled

For over 125 years, Portland General Electric has proudly served Oregon. Our dedication to helping customers is matched by our commitment to providing PGE employees with a diverse array of rewarding career opportunities.

PGE team members are creative problem solvers who love to apply themselves to challenges, big and small. We are looking for team members who will grow their skills, their career and their future with us.

IT Business Analyst III (Boardman, OR) (R17-103)

The IT business analyst serves as a liaison between business and IT stakeholders. They understand the operations, goals and challenges of their client's organization and recommend solutions.

The IT business analyst may be called upon to provide user support, training, and problem resolution as needed. They work within teams of IT professionals to design, develop, maintain, and support IT applications critical to the success of PGE.

You will support our journey by:

- This position will reside at Boardman, Carty, or Coyote power plants with infrequent travel to Biglow and Tucannon wind farms. Develop trusting relationships between clients and IT through effective communication and interpersonal skills. Work diligently to partner with and thoroughly understand the business unit(s) you are supporting.

You will bring the following skills to our team:

- Typically a Bachelor's Degree in Business, Computer Science, Engineering Management or equivalent work experience in related discipline. Strong verbal and written communications skills. Demonstrated formal presentation skills are a plus. Ability to work effectively in a fast moving IT team environment.

PGE is committed to diversity and inclusion in the workplace and is an equal opportunity employer. PGE will not discriminate against any employee or applicant for employment based on race, color, national origin, gender, gender identity, sexual orientation, age, religion, disability, protected veteran status, or other characteristics protected by law.

To be considered for this position, please complete the following employment application by the deadline: https://PGN.igreentree.com/CSS\_External/CSSPage\_Referred.ASP?Req=R17-103

If you have any questions, please feel free to call us at 503-464-7250.

PGE believes in rewarding strong performance. We provide a total compensation package that is designed to reward your contributions to the company, and, at the same time, support your well-being and professional development, both now and into the future.

Assisting with storms or other Company emergencies is a part of all positions at Portland General Electric. Talent Acquisition Contact: Danny Fajardo 503-464-7250 Staffing@pgn.com www.linkedin.com/in/dfajardo

HOROSCOPES

By Holiday

FRIDAY, APRIL 28, 2017

ARIES (March 21-April 19). You care -- a lot! In fact, today you may find that you care slightly more than feels healthy for you or good for the relationship.

TAURUS (April 20-May 20). A selfish someone would have you believe that doing what makes you happy is an indulgence. It couldn't be further from the truth.

GEMINI (May 21-June 21). It's said that penguins fall in love and even give each other gifts. A male penguin has been known to search an entire beach for the right pebble for his mate.

CANCER (June 22-July 22). You're not petty, you're generous! You don't condemn anyone for committing minor social sins, such as interrupting others or talking over the entertainment.

LEO (July 23-Aug. 22). You've endured plenty of adversity on your own. The people who are in your life are there because you want them there, not because you need them.

VIRGO (Aug. 23-Sept. 22). You're often hopeful, but it's not necessarily your first response. That's why the one who makes you feel like there's something special and magical in your future is a person you should hang out with more often.

LIBRA (Sept. 23-Oct. 23). It's as though there was a leap without a landing. The unfinished thoughts are beautiful in their incompleteness, if you can bear the tension that takes the place of closure.

SCORPIO (Oct. 24-Nov. 21). You may be considering taking things to the next level in a relationship, going from someone's "other" to someone's "only."

SAGITTARIUS (Nov. 22-Dec. 21). In the same way that marketers know scarcity can create an immediate impulse to buy, loss triggers love. Often, "the one that got away" is suddenly considered the best you've ever had, immediately after "getting away."

CAPRICORN (Dec. 22-Jan. 19). In some ways, you've become what you envied; you embody what you once envied; you project what you once only fantasized about.

AQUARIUS (Jan. 20-Feb. 18). Do all you can to fortify your spirit and restore your body. Set yourself up to awaken in a good mood tomorrow so you're strong and ready for an amazing opportunity coming your way.

PISCES (Feb. 19-March 20). You don't regret building your life around certain people and principles, but you do recognize that things change. You'll reorganize to make room for new influences.

TODAY'S BIRTHDAY (April 28). Relationships will thrive on stability. It's a year for extending roots, but that doesn't mean you can't also take vacations. In May you'll be offered what you've longed for.
