APPLICATION DEADLINE: Open Until Filled

For over 125 years, Portland General Electric has proudly served Oregon. Our dedication to helping customers is matched by our commitment to providing PGE employees with a diverse array of rewarding career opportunities. Diversity and community are at the heart of what we do for our customers and for each other. We are committed to a team that looks like the Oregon community that we know and love.

PGE team members are creative problem solvers who love to apply themselves to challenges, big and small. We are looking for team members who will grow their skills, their career and their future with us.

IT Business Analyst III (Boardman, OR) (R17-103)

The IT business analyst serves as a liaison between business and IT stakeholders. They understand the operations, goals and challenges of their client's organization and recommend solutions. They do this by utilizing techniques to elicit, document, manage and analyze requirements and processes. By pairing this with their IT, industry and organizational knowledge they are able to provide recommendations to satisfy business needs.

The IT business analyst may be called upon to provide user support, training, and problem resolution as needed. They work within teams of IT professionals to design, develop, maintain, and support IT applications critical to the success of PGE. The IT business analyst develops solid relationships with their peers and clients.

You will support our journey by:

- This position will reside at Boardman, Carty, or Coyote power plants with infrequent travel to Biglow and Tucannon wind farms.
- Develop trusting relationships between clients and IT through effective communication and interpersonal skills
- Work diligently to partner with and thoroughly understand the business unit(s) you are supporting
- Knowledge of and ability to utilize a variety of elicitation, documentation and analysis techniques
- Partner with IT peers such as PMO, Application Development and Infrastructure
- Facilitation of meetings, discussions, train other users on software
- Recommend solutions to best meet the needs of your clients
- Work with users to identify software problems and coordinate actions required to ensure timely resolution
- Become an expert on various software utilized by the generation group
- Create and maintain an inventory of applications, servers, etc.
- Troubleshoot network, software, server issues
- Ability to identify, document and plan to mitigate risk
- Ability to manage solution scope & requirements, traceability, maintain requirements for re-use and prepare requirements packages
- Successfully generate and openly consider new ideas
- Ability to assess situations and determine appropriate action or solution

You will bring the following skills to our team:

- Typically a Bachelor's Degree in Business, Computer Science, Engineering Management or equivalent work experience in related discipline.
- Strong verbal and written communications skills. Demonstrated formal presentation skills are a plus.
- Ability to work effectively in a fast moving IT team environment.
- Working knowledge of IBMs Maximo, and Oracles PeopleSoft a plus
- Working knowledge of the software lifecycle
- Preferred 5+ years experience supporting business applications or as a power user of business applications.
- PGE is a regional provider of electric power. Business Analysts may be required to travel within the PGE service area and to its generation facilities. Occasional overnight stays may be required. Expected travel would be no more than 10% of work time.
- Valid Drivers License is required

Join us today and power your potential!

PGE is committed to diversity and inclusion in the workplace and is an equal opportunity employer. PGE will not discriminate against any employee or applicant for employment based on race, color, national origin, gender, gender identity, sexual orientation, age, religion, disability, protected veteran status, or other characteristics protected by law.

To be considered for this position, please complete the following employment application by the deadline:
https://PGN.igreentree.com/CSS_External/CSSPage_Referred.ASP?Req=R17-103

If you have any questions, please feel free to call us at 503-464-7250.

PGE believes in rewarding strong performance. We provide a total compensation package that is designed to reward your contributions to the company, and, at the same time, support your well-being and professional development, both now and into the future.

Assisting with storms or other Company emergencies is a part of all positions at Portland General Electric.

POSITION OPENING

WORKFORCE DEVELOPMENT COORDINATOR

The Port of Morrow is looking for a Workforce Development/Training Coordinator to serve as a liaison between Port of Morrow industries and educators including: Blue Mountain Community College, Eastern Oregon University, Intermountain Education Service District, and Morrow County and Lone School Districts. The main purpose of the Workforce Development Coordinator is to connect Morrow County employers and residents with programs and services, especially those opportunities leading to employment in local industry, acting as a clearing house for workforce training and development programs.

Minimum Requirements

- 1 Bachelor's Degree in business, human resources, public policy, urban studies, or a related field.
- 2 Two years of professional experience in workforce development, training, community outreach or public relations. Equivalent combinations of education and experience may be considered.

APPLICATION PROCEDURE

- Applications and further information can be accessed by visiting www.portofmorrow.com
- Resumes are required and should be attached to the application.
- The Port of Morrow is located at 2 Marine Drive, Boardman, OR 97818.

AgriNorthwest **Equipment Operator II**

AgriNorthwest, a local agricultural operation, has an opening for a farm Equipment Operator II in Boardman, OR in Morrow County. We are looking for a highly motivated person to safely operate farm equipment. This position starts at \$13.05 per hr. Must possess a valid driver's license and be able to work safely and with minimal supervision at all times. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Retirement Plus Plan, 401k, Flex-Spending, and other miscellaneous value-added benefits. Qualified applicants who are interested need to send a resume to careers.agn@agrinw.com with the job title in the subject line or apply in person at AgriNorthwest 174906 S Plymouth Rd, Plymouth, WA 99346 or 77200 Poleline Rd, Boardman, OR 97818. Questions can call at (509) 734-5074 Ext. 5191/5138.

HOROSCOPES

By Holiday

WEDNESDAY, MAY 3, 2017

ARIES (March 21-April 19). You feel like you're in your own little world, but know that others are very aware of you now. "If you reveal your secrets to the wind, you should not blame the wind for revealing them to the trees." -- Kahlil Gibran

TAURUS (April 20-May 20). There's so much you have access to, and you're a curious person, ready to learn all you can and experience the richness of life. Self-regulation is, therefore, among your biggest challenges.

GEMINI (May 21-June 21). You're more concerned with achievement than reward. In fact, the reward, as far as you're concerned, is the achievement. The accolades can be nice, but they can also be embarrassing and cause more pressure than they are worth.

CANCER (June 22-July 22). New research suggests that you might do yourself some good by talking to yourself, especially if you're saying encouraging or compassionate things, and most especially if you're saying them out loud.

LEO (July 23-Aug. 22). Take on the small, easily won challenges. Building up a track record of success will give you the confidence you need to go for the more remarkable and difficult opportunities coming your way in the near future.

VIRGO (Aug. 23-Sept. 22). Belonging isn't about fitting together perfectly, having a lot in common or agreeing on most things. Belonging is about acceptance. Be inclusive. Set a tone of friendliness and compassion. Foster a sense of unconditional belonging.

LIBRA (Sept. 23-Oct. 23). The nearness of interesting and well-traveled people or the pull of exotic lands will activate your adventurous spirit. If you make discovery a priority you'll definitely find the necessary resources.

SCORPIO (Oct. 24-Nov. 21). Everyone will bring something to the table, though not necessarily a tangible thing. Some will bring an idea, a talent for receptivity, a custom, a grateful heart and much expressed pleasure in the opportunity at hand.

SAGITTARIUS (Nov. 22-Dec. 21). For you, adrenaline isn't a hormone that kicks in on an emergency-only basis; rather, it's a daily boost. Your high-energy style will be well suited for the challenges of the day.

CAPRICORN (Dec. 22-Jan. 19). You're happy when the people you love are happy. There is one person in particular whose happiness means the most to you, and you're likely to spend a lot of time, money and energy on making this person smile.

AQUARIUS (Jan. 20-Feb. 18). Sometimes it is more gracious to have a little of what's being offered to you than to abstain. The gestures and rituals around togetherness will have greater meaning today.

PISCES (Feb. 19-March 20). As artistic and imaginative as you are, you still admire those who lack pretension, are too laid back to strive and too chill to social-climb. Your values are right in line with all that it takes to create meaningful, lasting friendships.

TODAY'S BIRTHDAY (May 3). Since a person's knowledge only goes as far as his or her experiences, and because your sincere desire is for a wealth of knowledge, you'll open yourself to discovery, dive into mysteries and let curiosity carry you to different parts of the world. The funds come in June and November. August begins a serious bond. Libra and Leo adore you. Your lucky numbers are: 9, 40, 4, 47 and 13.
