A message from the
Umatilla County
Board of REALTORS®

Spring is here and now is the time to get out-
doors and pay attention to the exterior of your
home and your outdoor living space.

- Here are some helpful hints on things to do;

 - Have gutters cleaned of winter debris.
 - Check roofing for any missing shingles.
 - Open crawlspace vents for cross ventilation.
 - This is a good time to spray for wasps while it is still chilly in the mornings.
 - For the gardeners, this is a good time to weed the garden, turn the compost and get the garden soil ready for springtime planting.
 - Organize your shed for easy tool access.
 - Aerate your lawn, trim hedges, and prune trees so that they're not touching the exterior of the home by at least 6 to 8 inches.
 - De-winterize your hose bibs and spray off those patios, seating area and barbecues for outdoor fun.
 - Remember to fill your barbecue tanks.

These are just a few suggestions that you may want
to pay attention to and now is a good time
because spring has sprung! *Enjoy!*
