We thank applicants for their interest in this position. However, only applicants chosen for an interview will be contacted.

## HOROSCOPES

By Holiday

THURSDAY, JUNE 1, 2017

**ARIES** (March 21-April 19). Your sign mate Leonardo da Vinci recognized before many others that the sun does not move. Today you will see a rather large truth that many others are missing.

**TAURUS** (April 20-May 20). You may fantasize about a perpetual holiday, but you know that you're too hard a worker for that kind of situation to be ideal. Still, you need more leisure time at your disposal. There will be an opportunity to get some. Take it.

**GEMINI** (May 21-June 21). A million people have seen what you'll see today, and yet you'll see something completely different in it. You'll make discoveries by accident and sagacity.

**CANCER** (June 22-July 22). Water is among the most precious and strange elements we take for granted in daily life. You will embody some of the paradoxes of water today, as you are able to fill a situation or carry it away.

**LEO** (July 23-Aug. 22). It's said that fate chooses your family and you choose your friends, but this isn't entirely true: Many of the factors in friendship choice are out of your control, as well. You'll be in a mood to assert control over whatever you can.

**VIRGO** (Aug. 23-Sept. 22). Your name has associations with it, some of which you are unaware. You might be surprised to learn what people experience when they hear your name. You'll definitely build on your good reputation today.

**LIBRA** (Sept. 23-Oct. 23). Once you establish a habit, it's yours. It's easier to stay in a habit than not, because habits are automatic and will go on and on until interrupted. What do you want to turn into a habit? Do it now.

**SCORPIO** (Oct. 24-Nov. 21). The one who criticizes cares so much more than the one who gives out an easy pass. Frustration is also a sign of investment. If there's a tense dynamic between you and another, maybe that's a good thing. Maybe it's love!

**SAGITTARIUS** (Nov. 22-Dec. 21). There are people with detailed knowledge about certain years of your life. But no one knows the big picture like you do. You've been there since Day One. It's a reflective time. Give more thought to your story.

**CAPRICORN** (Dec. 22-Jan. 19). You don't need a social media page to tell you who your real friends are. They emerge in good times, when the party's at your house, and in bad times, too. You'll return the sentiment in kind and be there for a friend today.

**AQUARIUS** (Jan. 20-Feb. 18). Socializing isn't fun when you feel you're being judged the whole time. You prefer the company of easygoing people. You like to feel you can move about uncensored.

**PISCES** (Feb. 19-March 20). You don't want the kind of gains that come at the expense of another. If one person's wealth makes another person poor, nobody really wins. You'll try to assess the value of things on deeper levels.

**TODAY'S BIRTHDAY** (June 1). Moving it forward is what you're about for the next six weeks. You've a laser-like focus and will be practically immune to distractions. The win comes in September and again in December. You're daring and will risk your heart. Maybe it's not an easy road, but you'll definitely gain the tensile strength in the process. Scorpio and Virgo adore you. Your lucky numbers are: 10, 4, 44, 39 and 18.
