PUBLIC HEARING NOTICE**

NOTICE IS HEREBY GIVEN that the Natural Resources Commission of the Confederated Tribes of the Umatilla Indian Reservation will hold the following public hearing:

Zone Change File #ZC-17-001 - Applicant, Pioneer Asphalt, PO Box 38, Pendleton, OR 97801.

The applicant is requesting a zoning change from Big Game Grazing Forest zone (G-1) to Surface Mine (SM) for an 8 acre portion of Tax Lot 2N33D000-03400 (approx. address 71711 Emigrant Road) owned by La France Grubbs, to expand an existing gravel pit. The property contains an existing Surface Mine zoned area of 10 acres. 3.8 acres of the adjacent property (2N33D000-03300) is also zoned Surface Mine. The effect of the zone change would be to increase the area zoned Surface Mine zone from an existing 13.8 acres to 21.8 acres (see Tribal Planning Office for map). Over the life of the expanded quarry, an estimated 894,000 cubic yards of material is proposed to be extracted and the site reclaimed for grazing and wildlife. Zone change amendments are subject to CTUIR Land Development Code Chapters 9 and 13.

The public hearing will be held Tuesday, June 13, 2017 at 9:00 a.m. in the Nixyáawii Governance center Wanaq'it Conference Room on the Umatilla Indian Reservation, 46411 Timine Way, Pendleton, OR, 97801.

The public is entitled and encouraged to attend the hearing and to submit oral or written testimony on the request. The Natural Resources Commission reviews amendments to the Master Land Use Map and makes a recommendation of approval or denial to the CTUIR Board of Trustees. To obtain further information and/or staff reports on the requests, contact the Tribal Planning Office, 46411 Timine Way, Pendleton, Oregon, 97801; telephone (541) 276-3099.

STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING
The total estimated expenditures for 2017-18 will be \$35,234,897.30, which is an increase of \$15,346,243.21 in comparison to the 2016-17 budget. It is crucial to note that this marked increase is due to the Bond funds, and we should expect to see an equally marked decline in our budget once the bond projects are completed. It is very important to note that we have two factors of consideration in this budget. Firstly, we are relying on carryover from the 2016-17 school year to bring us in to the coming year without personnel cuts. Secondly, enrollment has declined this year. Without significant increases to the State School Fund combined with restored, or increased enrollment, we will face budget cuts again in our future. Our facility bond allows us to address critical maintenance and facility needs so we may focus our limited funds on programs and services with direct student impact.
