

# Hermiston Garden Tour blooms for PEO chapter

A bottle tree and wagon with plants line a side fence at the home of Dan and Polly Briscoe during the 2016 P.E.O. Hermiston Garden Tour. Five new gardens are featured in this year's tour, which is Saturday June 17.

Vicki Bowman, past president of P.E.O. Chapter DR, said a love of gardening has sprouted into an annual garden tour that serves as a fundraiser for the group.

"Audrey Cosand started the Garden Tour and inspired us with her love of gardening and travels around the world, often visiting gardens and taking garden tours on her many trips," Bowman said.

In its 13th year, the Hermiston Garden Tour features a handful of gardens. After taking the tour, participants are encouraged to stop by Kopacz Nursery & Florist. The Hermiston business is providing a 20 percent discount to all garden tour ticket holders. In addition to a variety of flowers and plants, the store has a large selection of home and garden items. Also, Heidi's Coffee Cottage is offering \$1 off on the beverage of your choice.

The event is Saturday, June 17 from 10 a.m. to 3 p.m. The tour

booklet includes descriptions of the gardens, directions and a map. Tickets can be purchased at Cottage Flowers, Kopacz Nursery and from P.E.O. members.

The gardens may be visited in any order. Also, members of the P.E.O. Chapter will greet participants at each of the locations.

"I'm always amazed at the beauty we find behind a gardener's fence or home," Bowman said.

The highlighted gardens include an Oasis of Ease. With busy lifestyles that have Randy and Pat Moulton on the go, the couple has created a low maintenance getaway.

The Family Farm of Creigh and Pam Lincoln includes a Yellow Rose of Texas, dating back to 1912. Also featured are more than 60 hostas and 30 heuchera (coral bells) scattered in shaded areas.

Scott and Melissa Purswell brought a garden to life from dirt piles when they built their home in 2011. Described as a Hidden Delight, the gardens at Steve and Joni Anderson's home provides

a pleasant surprise tucked behind their home. And Cul-de-sac Charm showcases the evolving efforts of Mike and Debbie Purkerson.

While the garden owners aren't required to be present, many times they are on hand during the tours, Bowman said.

"It is fun to be able to visit with them and they seem to enjoy it, too," she said.

Bowman said upwards of 80-100 people take the tour each year, typically raising about \$1,000. The money is used for P.E.O. scholarships and grants. P.E.O. International (Philanthropic Educational Organization) was founded in 1869 as a way to support women and encourage them in realizing their potential through education.
