or all of the above CANCER (June 22-July 22). Everyday life is rich. You sense this and appreciate it. Someone else will help you in this regard, enjoying the details and the particular way you attend to

LEO (July 23-Aug. 22). Do the most important thing first. Once that's out of the way, you can relax. The relaxed you is more effective, because an easygoing mindset helps you resist getting caught up in the extraneous parts that ultimately won't matter

VIRGO (Aug. 23-Sept. 22). Although it would be wonderful to find a perfect showcase for your work, the fact is that there probably isn't one yet. You'll have to make one, or one will be made to accommodate the work, once

LIBRA (Sept. 23-Oct. 23). You're attracted to a type of person who may or may not be good for you. This is a day of noticing -- of observing yourself and how you change or don't around the people you spend your life with.

SCORPIO (Oct. 24-Nov. 21). The relationship requirements are not rules, more like patterns. You set up the expectation early on and keep delivering in one way or another. Now you don't like what's being required of

you, and today is about changing it. SAGITTARIUS (Nov. 22-Dec. 21). You don't have to be lost to wonder how you're going to find your way to the next place. If you're not too proud to ask for directions, you'll get there faster. Sidle up to an expert and you'll loom and you'll have they were they were solved for
