## HOROSCOPES

By Holiday

TUESDAY, JUNE 27, 2017

**ARIES** (March 21-April 19). A search is on to fill a slot in your life. You're not interested in finding the perfect person for the job, especially since you've a better probability of finding Big Foot. What you want is a good fit.

**TAURUS** (April 20-May 20). The interaction has ups and downs, but overall you enjoy what's going on between you and a certain unpredictable someone. You've quite a few inside jokes, and you'll get some more out of today's zaniness.

**GEMINI** (May 21-June 21). As the right-hand man to your own spirit, you'll need to call out some orders. Break your chains; revolt against your own bullying thoughts; flee the captor that is a limited idea of what you're capable of.

**CANCER** (June 22-July 22). Physical hygiene isn't the only kind that makes an impression in the physical realm. Mental and emotional hygiene are just as (if not more) important. People will sense those first, anyway.

**LEO** (July 23-Aug. 22). You're curious about how you can become more powerful in your own life by having more means at your disposal. This is, of course, not the only or even the main route to influence. In regards to power, love really does conquer all.

**VIRGO** (Aug. 23-Sept. 22). You've a potent charm, and there will be those afraid to get mixed up with it. They are right to be wary, of course. That which has the potential to affect people greatly should be wielded with the utmost care.

**LIBRA** (Sept. 23-Oct. 23). You're spiritually ambitious. Reinvention is the heartbeat of your day. There's great effort that goes into constant renewal, but it's like anything. The more you do it, the better you get at it and the more automatic it becomes.

**SCORPIO** (Oct. 24-Nov. 21). A huge part of parenting in the modern world is taking your children where they need to be when they need to be there, and self-parenting is no difference. Show self-love by getting yourself there on time.

**SAGITTARIUS** (Nov. 22-Dec. 21). You inculcate yourself against the virus of egoism by being in service to those around you. To keep your ego in constant check is to remain connected to the energy of the world.

**CAPRICORN** (Dec. 22-Jan. 19). There's something so expedient and attractive about your usual decisiveness, though today will call for a different approach. Before you take a position, live in the question a while longer.

**AQUARIUS** (Jan. 20-Feb. 18). Attaining your heart's desire will require a different method of payment than money. You'll have the chance to pull together the best gifts you have to offer the others for what you want in return.

**PISCES** (Feb. 19-March 20). If you try to use them as your main navigation, logic and ego will steer you wrong; let intuition guide you instead toward what your soul needs (which will be different from what your family wants from you).

**TODAY'S BIRTHDAY** (June 27). Consciousness is among the greatest mysteries of the material world. You'll wrestle philosophies and science, coming up with your own way of viewing your existence -- a way that leaves open windows of possibility. Love will lead to business, and business will lead to love. August, November and May are financial highs. Capricorn and Pisces adore you. Your lucky numbers are: 4, 29, 2, 18 and 5.
