Firefighters contain fire west of Umatilla

UMATILLA — Umatilla Rural Fire Protection District stifled a blaze at Southshore Drive, west of Umatilla, around 7:30 p.m. Monday. The cause of the fire is unknown, but no one was injured and no structures were damaged.

When fire crews arrived, the fire was burning in about two acres of tall, dry grass. The fire was spreading quickly due to high winds, and firefighters were aided by Umatilla County Fire District, Irrigon Rural Fire Protection District, Oregon Department of Fish and Wildlife and U.S. Department of Fish and Wildlife.

Winds were at 10 to 15 mph, which contributed to the spread of the fire, but crews were able to keep it away from structures and pinched off the fire at the river. The fire was contained around 8:15 p.m., and crews were mopping up until about 3 a.m. Tuesday. Umatilla Rural Fire and Oregon Department of Fish and Wildlife will monitor the area for the next several days.

Umatilla student to national space competition

UMATILLA — A Umatilla High School student will travel to Florida this month to participate in the finals of the International Space Settlement Design Competition. Anthony Ibarra, who is an incoming junior, will represent the Umatilla High School robotics program at the event.

Ibarra will compete as part of a team in an industry simulation game set on Venus, designed to emulate the experience of working on an aerospace industry proposal team. The teams will each have managers from the industry to help them prepare for the competition before they present to a panel of judges.

According to a press release, the competitions require participants to "integrate their knowledge of and utilize skills in space science, physics, math, chemistry, environmental science, biology, computer science, writing, speaking, art and common sense."

In a press release from the Umatilla School District, Ibarra said he is a little nervous, but looks forward to the competition.

"I have liked participating in the Umatilla Robotics Program because I like working with my hands and hope to become an engineer," Ibarra said.

The Umatilla School District was able to send one student to the competition through a partnership with the JPL Museum in Stayton, Oregon, as well as through the assistance of Dr. Norman Chaffee. The museum was established in 2015, and centers on the career of Joseph Loftus, a 47-year employee of NASA.

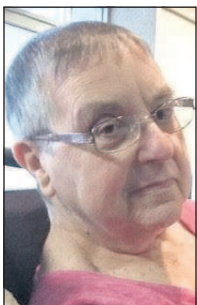

The competition is sponsored by Aerospace Education Competitions and the National Space Society.

Eldon J. Pennington

Mesa, Ariz.
August 10, 1958 - May 11, 2017

Eldon J. Pennington passed away after a long illness in the loving care of his wife and grandson in Mesa, Arizona, on May 11, 2017.

Eldon was born in Queen City, Missouri, but relocated to Pendleton, Oregon. He graduated from Pendleton High School in 1956 and began his love affair with fast cars, which led him later in life to build and race cars on small tracks in Eastern Oregon.

After high school, Eldon enlisted in the Navy where he graduated from aviation electronic training. Eldon serviced fixed-wing and rotary-wing flight systems and rose to the rank of petty officer, second class. Beyond enjoying his experiences in the service, Eldon was recognized for participating in the rescue of a downed pilot in the Pacific.

Upon honorable discharge from the Navy in 1959, Eldon returned to Pendleton where he married Orvetta Myers. They had two daughters, Susan and Shannon, and Eldon managed the Arrowhead Truck Stop there for many years. Orvetta and Eldon divorced in 1969.

In 1980, Eldon married Melanie (Nan Smith), welcoming her two daughters, Melanie and Samantha, into the blended family. Together they relocated

to Albany, Oregon, where Eldon managed the Full Circle Farm Store in nearby Tangent, Oregon.

As they settled in, Eldon encouraged Nan to fulfill her dream of earning a college education. After retiring from Full Circle, Eldon and Nan relocated again, and Nan earned her Ph.D. in psychology from Arizona State University. Eldon always said that his greatest accomplishment was supporting Nan in achieving that dream.

Eldon loved his family. He supported his brother Dee, also a veteran, who became permanently disabled in a car accident and required care for the remainder of his life.

Eldon was preceded in death by his parents, Ernest and Laome Pennington; brothers Ernest, Everell, and Dee; and his sister, Gayle. He is survived by his wife Nan; daughters Susan Cavallo, Shannon Hovelsrud, Melaine Kolu, and Samantha Voegel; and 11 grandchildren, nieces and a nephew.

Eldon was a proud man who lived life on his terms. He will be missed by all who knew him.

Petty officer, second class, Eldon J. Pennington will be inurned with military honors at the Willamette National Cemetery in Portland, Oregon, near his brother Dee.
