The InterMountain Education Service District (IMESD) is one of 16 education service districts in Oregon. ESDs are legislatively mandated to provide four core areas of service to students and school districts in their geographical area:

- 1. Programs for children with special needs**
- 2. Technology support**
- 3. Administrative services**
- 4. School improvement services**

The IMESD also provides a variety of other services to our 18 school districts in eastern Oregon in four counties: **Baker, Morrow, Umatilla** and **Union**.

The IMESD is committed to working with districts to implement programs and services to make every student successful, provide high quality teaching and develop long-term economic vitality for our rural communities.
