

DECORATION ON CERAMIC DISHWARE

MARIE PRATUCH, INSTRUCTOR
SATURDAY, NOV. 4, 1:00-4:00PM
\$25 MEMBERS / \$30 NON-MEMBERS
+ \$20 MATERIALS FEE

You don't need any previous experience in ceramics to play with surface decoration. In fact, we won't be using clay at all in this workshop. Instead, we'll use silkscreens and decals (and one low temperature kiln firing) to add detailed images to factory-made ceramic plates. Participants will explore silk screening with stock images, as well as how to print and apply original images as decals. Experimentation with layering and combining methods is encouraged! Materials fee covers decal paper, paints and 3 ceramic plates in various sizes.
