NOTE: BRED MARE. We can only say good things about this broodmare. She's easy to manage and has a loving manner towards her babies. Her little stud this year is a winner! That's what you want in a broodmare. Cake is trailer and halter broke, up-to-date with her worming and vac. And, the frosting on the cake: she's bred to you to foal in May 2018 (preg tested). The stud is SR SMOKY DRY PEP, AQHA #4013715. Take a moment and check "Cakes" out. If you are in need of a broodmare, this should be the one! **Pen 27**
