NOTE: Twix is a nice good looking 10-year-old. I bought him from the people that raised him. His job has been ranch work and trail rides. Twix has had big game packed out on him in the mountains and he really knows how to travel outside. Since I have owned him we have used him in the arena and penning cattle at the Sale Yard. Twix is a handy size and built like a tank. If you're looking for a horse that can stand prosperity and when you get back on he's the same then Twix is your guy. Gentle and sound. For more information call Tyler. (509) 830-2320 **Pen 2**
