NOTE: This is a great little mare. She is super broke, athletic and cowy. She is extremely soft, has a nice stop and moves off of your leg well. She is very gentle, quiet and safe for anyone to ride. Has been used for ranch work and does great on trails. She has been used on the heel o matic and had slow cattle roped on her. She is ready to go in any direction and will fit any level of rider. Call or text 541 971 2689 for any questions or videos.
