HOROSCOPES
By Holiday

SATURDAY, OCTOBER 14, 2017

ARIES (March 21-April 19). You'll
think logically and ask, "What am I
trying to accomplish here?" but don't
get too intellectual on it. Sometimes
you just have to feel it and make your
move.

TAURUS (April 20-May 20). You're
not lazy about work, and neither
will you be lazy in matters of love or
friendship. You'll go even when you
feel like stopping in order to please
or help another.

GEMINI (May 21-June 21). Instead
of worrying about how your needs
will get met, you focus your atten-
tion on serving the people you care
about. Service has a way of turning
up your personal power -- and your
mood.

CANCER (June 22-July 22). As you
think of the one that got away, know
that and this person's unique and ap-
pealing qualities are mythically and
enormously exaggerated through
the lens of memory. Also know that
someone thinks of you in this way.

LEO (July 23-Aug. 22). Ideally you
would devote yourself to an impor-
tant cause, although that does get a
little complicated, and you may have
trouble finding your "in." There's ac-
tually more potential in that silly little
cause that's grabbing at your atten-
tion.

VIRGO (Aug. 23-Sept. 22). Not ev-
erything requires a thought process
to move forward. When a thing is
ready to take off, it will. Growth isn't
always a plan. It's often just what
happens in a conducive environ-
ment.

LIBRA (Sept. 23-Oct. 23). You can
tell when a person is listening to you
but not understanding you, or look-
ing at you but not listening to you.
You won't take it personally. Rather,
you'll use it as a chance to experi-
ment to find more effective commu-
nication.

SCORPIO (Oct. 24-Nov. 21). It
seems like good ideas are being
snatched up all around you. Actually,
they were snatched up long ago, and
now they're just getting reworked.
There's more where that came from.
Seek antiquated inspiration.

SAGITTARIUS (Nov. 22-Dec. 21).
If you focus on what's wrong, peo-
ple will tune out. Also, if you dance
around the subject, your message
won't land. So be as clear and di-
rect as possible about what you
want. Don't forget the sugarcoating,
though!

CAPRICORN (Dec. 22-Jan. 19).
There's a message in joy and a mes-
sage in pain. Both will point you in
the direction of more happiness and
enjoyment today, so be quick to pick
up on the hints.

AQUARIUS (Jan. 20-Feb. 18). Your
focus will be more inward this week-
end and that's an admirable direc-
tion that will serve you much better
than distractions that keep you from
examining your own mind. Building a
rich inner life will lead to a rich ex-
terior life.

PISCES (Feb. 19-March 20). This
is a day for skipping steps because
you need to get quickly to the heart
of the matter. For instance, you
may assume a warm familiarity with
someone you hardly know in order to
become fast friends.

TODAY'S BIRTHDAY (Oct. 14)
You've kept an attitude of gratitude
through seemingly unfavorable cir-
cumstances, and something tremen-
dously fortunate came of it. Surpris-
ingly, it will be more of a challenge
to keep a grateful heart through the
wonderful good that happens this
year, such as the windfall next month
and January's award. Try, though!
Scorpio and Capricorn adore you.
Your lucky numbers are: 3, 40, 33,
12 and 19.
