HOROSCOPES
By Holiday

TUESDAY, OCTOBER 17, 2017

ARIES (March 21-April 19). Soon
you'll go from stealing the show to
having your own show. But you're
not quite ready for either one just
yet. Quiet observation and care-
ful listening are the skills you most
need to employ for now.

TAURUS (April 20-May 20). People
have unspoken demands of one an-
other, and the agreement to those
demands is often also something
that is never discussed. But when
it's time to change the deal, as it is
now, the way to do it is with words.

GEMINI (May 21-June 21). You need
to express yourself. The added
pressure you put on yourself about
whether that expression is good
enough is really unnecessary and
could actually be quite harmful if you
let it stop you.

CANCER (June 22-July 22). If you
can't figure out the business side of
a problem, it's perhaps because the
other sides of it are a little murky as
well. But the good news is, as you
sort through, organize and get clear,
all sides improve at once.

LEO (July 23-Aug. 22). The stum-
bles and heartache and sacrifices --
they weren't for nothing. You'll solve
the problem, win the project, save
the day. At the very least you'll have
a better idea than you would have
come up with last month.

VIRGO (Aug. 23-Sept. 22). You'd
like to believe that people always
get what they give, although it just
doesn't seem to happen in some
cases. Even if it's only true some of
the time, it's still worth putting into
practice. Your life is richer for it.

LIBRA (Sept. 23-Oct. 23). The ego
gets smaller the same way the body
does. Don't feed it as much. Don't
give it everything it wants. The ego
will serve you best when it's strong
but lean.

SCORPIO (Oct. 24-Nov. 21). When
you're the one in charge, it's eas-
ier to say yes. That's why effective
leaders have to be people who aren't
afraid of being unpopular and
declining the proposals of their con-
stitents.

SAGITTARIUS (Nov. 22-Dec. 21). A
slow, gradual approach will be very
favorable for this leg of the journey.
You'll be stronger and more certain
by the time you get there, and you'll
be received with confidence and
trust.

CAPRICORN (Dec. 22-Jan. 19). To
regret wasting your time is an even
further waste of your time. So in-
stead, you'll take action. You'll plug
a leak, break a chain or erase the
board and start all over.

AQUARIUS (Jan. 20-Feb. 18). It will
be difficult to get anything personal
done if you involve too many people.
When it comes to working alone,
motivation is the hardest part, but
after you get motivated you can
work much faster than you would
with a group.

PISCES (Feb. 19-March 20). A large
gesture creates a big impression.
That it's the (SET ITAL)right(END
ITAL) impression is more important
than its size, though. Think about
what you're trying to accomplish,
and make a plan instead of rushing
forward with the first idea.

TODAY'S BIRTHDAY (Oct. 17). Be-
cause you know that the minutes
go by regardless of what you've put
inside them, you are ever vigilant to
fill your time with what has meaning
and value to you. You have never
been so in touch with what moves
you, and new inspiration and moti-
vation comes each and every month
of your next solar return. Aquarius
and Virgo adore you. Your lucky
numbers are: 3, 11, 40, 2 and 9.
