HOROSCOPES
By Holiday

WEDNESDAY, NOVEMBER 1, 2017
ARIES (March 21-April 19). Notice who takes your feelings into consideration. Notice who has your back. Notice who shows up, who offers first, who laughs at your jokes. You deserve a supportive team.

TAURUS (April 20-May 20). The fever of a retail crush, flirtation, love affair or seductive business deal is not a good state of mind for decision-making. The wanting makes you think irrationally. Cool down first. Come back to it tomorrow.

GEMINI (May 21-June 21). If you're hesitant about sharing things about yourself because you think it might be too boring or you might be opening yourself to judgment, it's a sign that you could use some more relatable friends in your life.

CANCER (June 22-July 22). Family will require more tending than usual. It's a good thing, because they need you and you need to give, so all will feel better for it. Warmth is your specialty.

LEO (July 23-Aug. 22). Of course, memory never tells the whole story. When looking back, people get fuzzy on the details of interacting with one another. What they tend to remember is how you made them feel.

VIRGO (Aug. 23-Sept. 22). It's impossible to be permanently excited. Excitement is the top of an arc of energy. Without the low of boredom or normalcy, there would be no high of excitement. You'll ride out an uneventful period. A higher energetic state is coming.

LIBRA (Sept. 23-Oct. 23). It's a day of many tones and feelings. You'll pass through numerous states of mind -- twice as many as you usually would in the course of a day. It's a kind of workout for your feelings. You'll gain strength and balance.

SCORPIO (Oct. 24-Nov. 21). A good story is a family heirloom. A good storyteller is the custodian of that treasure. Your heart and mind are open. You'll understand where the story is in the seemingly everyday events of you and yours.

SAGITTARIUS (Nov. 22-Dec. 21). There's too much at stake to leave an interaction to chance. Decide before going in what impression and message you want to relay. Get clear about what's in it for you and what you're willing to give in return.

CAPRICORN (Dec. 22-Jan. 19). As for those who monopolize the conversation, steamroll you when you're trying to express yourself and don't ask for your thoughts and ideas on the matter -- well, it's more than selfishness. It's a warning sign.
