ARIES (March 21-April 19). You can't expect to think differently if you're using the same references as everyone else. For this reason and more, it's time to go digging deeper for new influences.

TAURUS (April 20-May 20). Knowing your weakness is the first step. From there you can build on your strengths enough to compensate, find a way to capitalize on the inher ent gift in your weakness, or work directly to develop the weak area.

GEMINI (May 21-June 21). Peo ple may ask about your plans, but you might want to show them what you've already done instead. That will speak with more volume and clarity, leaving no room for doubt.

CANCER (June 22-July 22). There's something to be said for feeling like you have to impress a person. It will be interesting to see how the nearness of such a person changes your approach. Of course, it's nicer to be with people who already ge

LEO (July 23-Aug. 22). You're so close to success on a project, though you may have to redefine it. For instance, success may be simply finishing the thing so you can move on and never look at it again.

VIRGO (Aug. 23-Sept. 22). Breathe. Of course, that's not your only job in the process of helping this thing along. Breathing in; breathing out; plus investing some of your faith Hit those three, and then step back

LIBRA (Sept. 23-Oct. 23). It might LIBHA (Sept. 23-Oct. 23). It might sound like a mean thing, but a big part of your happiness, success and well-being is just knowing who to stay away from. It's better to be alone than with an influence that makes you behave as less than you really are

really are. SCORPIO (Oct. 24-Nov. 21). On this day of cosmic change, you'll adapt more easily to the transition and and most, if only because you long ago accepted the temporary nature of all things. For this reason and

CAPRICORN (Dec. 22-Jan. 19). The bottle of water by your side helps you stop and think while you stop and drink. A more thoughtful (and hydrated) approach to speak-ing with people and doing your work will lead to an important breakthrough.

AQUARIUS (Jan. 20-Feb. 18). You'll be in a position to defend a person or idea, and because you're so loval you'll do this well. For this reason knowing whether the person or ide is in the right will be crucial. Find out first.

PISCES (Feb. 19-March 20). There's that one person you like to have around -- the one who's like a candle in a dark room, mysterious, warm and always casting a lovely quality of light on you.

TODAY'S BIRTHDAY (Nov. 21). Your creativity is going strong through the end of the year, but it's your practical efforts and team building actions that carry a plan to the payout. Give your body a new way to express your energy in 2018. You're strong, graceful and compet-itive. The places you see will invite you back: This is love. Leo and Capricorn adore you. Your lucky num bers are: 6, 27, 15, 42 and 50.
