HOROSCOPES - By Holiday

WEDNESDAY, NOVEMBER 22, 2017

ARIES (March 21-April 19). Today you're the undisputed champion of "why not?" and all your team will benefit from your moxie. Even some who aren't on your team will win. And then they'll come to your team, too.

TAURUS (April 20-May 20). Your joy will be infectious, and you don't have to talk about what's making you happy for this to be the case. It's the laugh of your heart that's heard for miles and miles.

GEMINI (May 21-June 21). The great debates stir great passions. Unfortunately, so do stupid ones these days, so be careful. And if you take a break from debating altogether, if just for today, you'll have energy for more worthy pursuits.

CANCER (June 22-July 22). Nature has many ways of helping prey evade the predator -- for instance, being covered in prickles, being impossible to catch, tasting bad or looking like you taste bad. You'll be as clever as nature in your avoidance of trouble.

LEO (July 23-Aug. 22). Domesticity can do awful things to love. One moment love is a galaxy in your heart where you dream of each other; the next moment it's stinky socks and the cold laundry cycle. So savor the poetry when it comes.

VIRGO (Aug. 23-Sept. 22). Even though there are a lot of people who do what you do, your unique expression could not be duplicated by anyone in the whole world. It's why it's so important that you show up and deliver.

LIBRA (Sept. 23-Oct. 23). As your project evolves, so will your opinion of it. That's why you'll benefit from being noncommittal. Leave yourself some wiggle room in case your feelings develop in a different direction.

SCORPIO (Oct. 24-Nov. 21). There's no shame in saying "I don't know" when that's the truth of it. It might also be good to say "I don't know" when there's someone to protect or when you just aren't totally sure.

SAGITTARIUS (Nov. 22-Dec. 21). By evolutionary design, pain is the easiest thing to remember. Pain and where the food is. What keeps us alive also keeps us struggling, but you'll do something beautiful with that today.

CAPRICORN (Dec. 22-Jan. 19). There will be practical realities to process... work around, conquer... and maybe end once and for all. When you can make the rules for your life, do it. It's not always this way. Take advantage of your freedom.

AQUARIUS (Jan. 20-Feb. 18). Don't waste a moment being bored or doubtful. Something is coming; you can trust this. You've the capacity for experiences you haven't thought of -- experiences you don't even know exist.

PISCES (Feb. 19-March 20). The way you put yourself together is a gift to both you and them. The special care you take in assembling what you'll wear, say and more will add up to a super-successful presentation.

TODAY'S BIRTHDAY (Nov. 22). You've a few surprises up your sleeve, and they will be very well received over the next three months. You may start to wonder if the job you took on is really within your ability. No one is successful alone. Reach out and let others help you. By doing this you are also helping them. Libra and Leo adore you. Your lucky numbers are: 5, 30, 2, 22 and 18.
