Two children die in Prairie City fire

Neighbor pulls 4-year-old boy from blaze

By RICHARD HANNERS
 EO Media Group

A neighbor rescued a boy from an apartment fire in Prairie City early Thursday morning, but two girls died in the blaze.

Kimberly Shelton lived in the Strawberry Village apartment complex with her five children, three boys ages 17, 12 and 4 and two girls ages 3 and 1, according to Prairie City Volunteer Fire Department Chief Marvin Rynearson. The three boys survived, and the two young girls perished in the fire, he said.

The surviving family members were transported to Blue Mountain Hospital, John Day, and the mother was transported by air ambulance to another hospital, Rynearson said.

According to neighbor Gloria Tirico, Shelton managed to get out of her burning apartment and go to another building for help. Tirico's niece Livy Atchley and Allen Detweiler lived there.

"Livy said she didn't know how Kimberly made it to their apartment, she was so badly burned," Tirico said.

Tirico said she heard some

Two members of a family staying at the Strawberry Village apartment complex in Prairie City died in a fire Thursday.

pounding on the walls of her apartment about 2:40 a.m. while she lay in bed but didn't consider it unusual. Then she heard a very loud bang.

"I later learned that was Allen breaking down the back door to Kimberly's apartment," Tirico said.

Tirico then said she heard some pounding on her apartment door. It was her niece banging on the door to wake her up. Tirico said she smelled smoke when she got downstairs but never heard a smoke alarm. She left her apartment in her nightgown and saw

Kimberly Shelton out on the sidewalk.

Meanwhile, Detweiler had gained access to the Shelton family's apartment where he encountered thick black smoke. According to apartment manager Carl Stinnett, Detweiler got on his hands and knees and began to crawl around beneath the smoke. He heard a groan, saw a foot and dragged a child out of the burning apartment, Stinnett said.

"He rescued the 4-year-old boy," Stinnett said. Rynearson said only

Building B in the four-building apartment complex sustained significant interior fire damage. Firefighters were able to protect the other buildings from the fire. John Day firefighters returned to the John Day fire hall around 8:30 a.m.

No firefighters were injured as they fought the blaze, Rynearson said.

The investigation is ongoing. Deputy State Fire Marshal Dave Fields was at the site Thursday morning. The cause of the fire has not been released.

Repeat deportee sentenced for assault in U.S.

SALEM (AP) — A Mexican man who has been deported from the United States at least 13 times has been sentenced to 35 years in prison after pleading guilty to assault, kidnapping and other charges in separate attacks on two women on the same day.

Local TV stations reported from the courtroom that Sergio Jose Martinez received the sentence Friday in Portland, a day after another man in the United States illegally was found not guilty by a jury in San Francisco in the shooting death of a woman that touched off a fierce national immigration debate.

U.S. Attorney General Jeff Sessions highlighted Martinez's case when he visited Oregon in September.

A spokesman for the county prosecutor's office did not immediately return a call seeking comment on the case.

U of O reaches tentative \$88M deal with Nike

EUGENE (AP) — The University of Oregon says it has reached a tentative agreement with Nike that increases sponsorship to \$88 million in cash and gear for the university.

The Register-Guard reports the university's board of trustees will consider approving the 11-year deal next week. The university released only the agreement description on Thursday and not the full draft contract.

The university would receive \$2 million annually from Nike until 2023 under the deal, and then the amount would increase to \$2.5 million each year until 2028.

The school would also get \$5 million in apparel each year. The gear would gradually increase to \$6 million in 2022.

Under the current deal with Nike, the university is receiving a base cash payment of \$600,000 and \$2.4 million in products this school year.
