**CEDAR • VINYL • SPLIT RAIL
 FENCE BOARDS • STEEL POSTS • GATES**

Since 1999, All That Wood, LLC has been your locally-owned and –operated, the premier source for wood and vinyl fencing in Hermiston, OR. We specialize in old growth cedar and vinyl fencing and vinyl pergolas. Additionally, we offer ranch rails, picket fencing and arbor packages, designed to meet your needs! Through trial, testing and experience we have fine-tuned the products we offer from our in-house produced steel and aluminum gates for both wood and vinyl to our specially designed hinge and latch packages.

We are not a big box store. Our product is not sent from a corporate shipping yard and told to sell it no questions asked. We have used our 19 years of operation to test what wood, metal and vinyl works best and lasts longest in our desert climate.

Unlike a lot of big box stores that just happen to sell fence, our knowledgeable staff can help with any questions you might have. Lumber source, wood type, wood age, wood treatment process, the vinyl extrusion process, vinyl custom application, gate weight capacity. We can help answer just about any question you may have about our products.
