Farmers haven't yet seen an impact

"But we have two governments in between that obviously have to negotiate this out," he said. "I was really, really hoping there was something going on behind the scenes that I wasn't (privy) to. I still hope there's something going on, but every day, I lose a little bit of faith, I hate to say it."

"It doesn't happen all at once, but pretty soon, 'Oh my goodness — there's a problem here,' you start feeling it," he said.

Ryan Bundy said Thursday that he doesn't think other candidates running to replace term-limited

Ryan Bundy has won criminal cases over armed confrontations in two states. U.S. charges were dropped in January against him, his father and his brother Ammon in

The brothers also were acquitted after leading a 2016 takeover of a national wildlife refuge in Oregon.

UV INDEX TODAY

Show are noon positions of weather systems and precipitation. Temperature bands are highs for the day.

Map showing the United States with weather systems and temperature bands. The map includes city names and their corresponding high/low temperatures. A cold front (blue line with triangles) is shown extending from the northwest, and a warm front (red line with semicircles) is shown extending from the northeast. High and low pressure systems (H and L) are marked. Temperature bands are indicated by colored rectangles along the bottom, ranging from -10s to 110s. Precipitation types are indicated by icons below the temperature bands.
