HOROSCOPES

By Holiday

TUESDAY, MARCH 13, 2018

ARIES (March 21-April 19). The
French culinary term (SET ITAL)
mise en place(END ITAL) refers to
the peeling, cutting and measuring
of ingredients before it's time to use
them: Everything in its place. This
approach will help your cooking and
non-cooking endeavors today.

TAURUS (April 20-May 20). It's im-
portant for people to feel a sense
of progress in the early stages of
a project. Use this on yourself. Set
yourself up for an easy win right off
the bat -- something to keep you in-
spired as you go.

GEMINI (May 21-June 21). Too
much compromise ruins the deal
for all. Might there be a better match
elsewhere? If you're determined to
make it work, what needs to happen
for you both to feel that you're get-
ting more of what you want?

CANCER (June 22-July 22). This is
the time to consider the goals that
matter most to you and to your per-
sonal life. What's the vision here?
Imagine it in crystal clarity. You need
to see your endpoint before you can
design a method to achieve it.

LEO (July 23-Aug. 22). Listening
well isn't a natural gift like athleti-
cism or an ear for music. It's a skill
to be honed with practice. This is the
skill that will help you grow in power
and know more about the situation
than anyone around.

VIRGO (Aug. 23-Sept. 22). What do
you need to learn to put yourself at
the top of your game? What skills
could you require to give yourself
the greatest advantage? The bigger
questions will be answered with
small, incredibly detailed solutions.

LIBRA (Sept. 23-Oct. 23). You're so
charming that you could get by on
just that if you wanted to, but no;
you'd prefer not to. You've a strong
desire to contribute something so
useful it renders charm merely op-
tional.

SCORPIO (Oct. 24-Nov. 21). When
the game is very hard, it doesn't do
you any good to stay at it and re-
lentlessly keep losing. Take breaks.
Walk away from the hard challenge
every so often and tackle a job or
game that's easily done and won.

SAGITTARIUS (Nov. 22-Dec. 21).
Be careful which task you pick up.
Some jobs are like boomerangs that
will always swing back and give you
more to do. Do you recognize which
job fits the description? Choose
something else.

CAPRICORN (Dec. 22-Jan. 19). Oh,
happy day! The one you love loves
you back. Maybe this is new info. Or
maybe you've known this for years.
Either way, it still makes everything
you take on seem lighter and bright-
er and easier and better.

AQUARIUS (Jan. 20-Feb. 18). You'll
learn something new and prepare
for your challenges in a different
way than before. Keep your discov-
eries secret so those operating
under the old methods will not know
the threat you pose.

PISCES (Feb. 19-March 20). It's the
social aspects of the day that will
make the most impact. You're an ex-
citing force in the room. Keep mov-
ing along. Don't tell the same story
or show the same trick twice.

TODAY'S BIRTHDAY (March 13).
Your positive attitude opens fresh
avenues. You'll be welcomed into
an elite group next month. Singles
fall in love. There will be practicali-
ties to work out in May in order for
domestic life to hit a groove. Once
the personal realm settles in, a huge
project is your ladder to your "next
level" goals. Capricorn and Aquar-
ius adore you. Your lucky numbers
are: 5, 33, 39, 2 and 14.
