Team strengths and weaknesses: "Our biggest weakness is our lack of experience," Brizendine says. "We have no returning state athletes and a fairly small senior class. Our strengths are our numbers. We have close to 100 athletes out for track and a large group of freshmen who have tons of potential. As they continue to develop, it will be interesting to see who rises up to the varsity level. We also have many upperclass athletes who are new to the program who could make an impact right away."
