

Pendleton Girls Golf

Head coach: Dave Curtis, first year
2017 season review: Finished second in Class 5A as a team with senior Haley Greb earning a co-state championship individually.
Returning starters: Megan George, jr.; Rylee Harris, jr.; Makenzie McLeod, jr.
Team's strength: "Three players with regional and state playoff experience. The ability to use that experience to help younger players, like freshman Grace Broadfoot, coming up in the program."
Team's weakness: "Having players who will be competing with no experience at varsity level."
Team's goal this season: "My goal is to continue having a successful girls program at Pendleton High School and to be state contenders. I also want to help the program grow in the number of girls who are and will participate in golf at the high school level."
