HOROSCOPES

By Holiday

FRIDAY, MARCH 23, 2018

ARIES (March 21-April 19). While the boundaries you establish may simply be policy to you, there are some who will experience them as a personal affront. But as long as you're respectful, your boundaries won't be challenged.

TAURUS (April 20-May 20). The times are changing. You're dipping your foot into the new normal. It still scares some people, but that's why they need you to be strong. Do you. Get to know as many people as you can. And keep growing.

GEMINI (May 21-June 21). You can enhance your life by changing something simple, such as your diet or something logistical. Take, for instance, the time you spend getting to and from places. There's a way to make the commute pleasurable or shorter.

ADORABLE ABODES

UNIVERSAL Sudoku Puzzle

VIRGO (Aug. 23-Sept. 22). The work will only feel worthwhile to you if it's bringing you money, happiness or the chance to markedly improve yourself. If you can't readily see how the endeavor fits into one of those categories, bail.

LIBRA (Sept. 23-Oct. 23). While trials and tribulations are an inevitable part of the growth cycle, they shouldn't be the norm. Someone who always seems to be at the heart of drama has the potential to snarl you into his or her orbit. Resist. You've better things to do.

SCORPIO (Oct. 24-Nov. 21). It doesn't matter how many friends you have; you will still always be friend off when you are also your own friend and champion. Also note: A person who cares for deeply for you will not side with a person who doesn't.

SAGITTARIUS (Nov. 22-Dec. 21). You may choose to forgive someone now -- not because that person deserves mercy but because you no longer want to be mentally tied to a piece of history and therefore need to let it go.

ADORABLE ABODES

UNIVERSAL Sudoku Puzzle

AQUARIUS (Jan. 20-Feb. 18). Love, peace, magic, joy -- you can have all of that. You'll have to give up other things, though. What do you think they are? For some it's a false belief, e.g., that love is about suffering or that drama is better than happiness.

PISCES (Feb. 19-March 20). Your internal voice may not make a peep detectible by microphones, but it can be deafeningly loud to you. It carries to far reaches of your internal universe. That's why it's so important to stay supportive when talking to yourself.

TODAY'S BIRTHDAY (March 23). It's the wonderful matches that make this solar return sing -- the people who get you, the jobs that reward you at a deeper level and the lifestyle that curls supportively and securely around the core of who you are. Your outstanding work in August will build up both your reputation and your bank account. Virgo and Scorpio adore you. Your lucky numbers are: 2, 28, 4, 14 and 7.
