

BLONDIE

BY DEAN YOUNG & JOHN MARSHALL

WELL, MY BOY, I'VE REVIEWED YOUR GRUMDINGER REPORT....

GREAT, BOSS! HOW DID I DO?

IT'S FINAL FOUR WEEK!!

C'MON, MY BOY! TRY TO BLOCK ME! HA! HA!

HUH?

IT'S A JUMP BALL AND J.C. SNAGS IT!!

BOSS, WHAT'S GOING ON?!

DITHERS DRIBBLES BUMSTEAD'S LAME-EXCUSE REPORT TO THE BASKET!

THEN DUNKS THE MONSTROSITY INTO THE TRASH AS THE CROWD ROARS!!

TOUGH DAY, DEAR?

Y'KNOW, FOR A TYRANT, THE BOSS IS A PRETTY DECENT DRIBBLER!

WONTON

MISSIN

WHATNOT

This is basically what they looked like. And there wasn't any probing—more like a whole lot of sniffing.

PHOEBE AND HER UNICORN

BY DANA SIMPSON

Phoebe! It is nice to see you sharing my interest in clover.

I'm looking for a **FOUR-LEAFED** one.

Why?

Because they're good luck.

In addition to being tasty?

According to humans.

Well, in any case...I think I may have eaten one of those earlier.

ptoo

I have so many questions.

In answer to one of them, unicorn spit **DOUBLES** your luck.
