ARIES (March 21-April 19). It just doesn't seem fair that some people should be allowed the freedom to do as they please and express them-selves openly and others have to work and be appropriate all the time. That's why you'll make a change.

TAURUS (April 20-May 20). Among the artifacts that you possess is one nat, while not ob iously valuable is precious and irreplaceable. Why not display it as the treasure it is to you? Today will bring the inspiration and neans to do so.

GEMINI (May 21-June 21). Appreciate your current status even as you wish for something new. Change will happen soon enough. But of course the life you wish for will come with its own set of new problems.

CANCER (June 22-July 22). Juicy information is difficult to keep quiet. Much success in restraint will be attributed to delaying your response to things, holding off your decision, waiting to send the email and the

LEO (July 23-Aug. 22). Centuries ago, new shoes were a much bigger deal to acquire. And today, even though you own several pairs of them, the thrill is still real. Upgrades that happen below the knee will lift your whole mood.

VIRGO (Aug. 23-Sept. 22). They won't care about all that goes into the result -- not today anyway. They want what they want when they want it. Use this to your advantage. Don't set your price based on what things cost; set it based on what people will pay.

LIBRA (Sept. 23-Oct. 23). As far as you're concerned, laughter and love go together. When they laugh, they show understanding and demonstrate their alliance. The one who can make you laugh will have your heart

SCORPIO (Oct. 24-Nov. 21). You're open-minded and flexible enough to

use what you've learned in many ap olications. However, what you need now is very specific. Only take ad-vice from those who have done the thing you want to do.

SAGITTARIUS (Nov. 22-Dec. 21) There's a social pattern that occurs You give more and they take more you withdraw and they give more. If you're conscious of it, it feels like a game. Someone will come along to

shake up the dynamic.

CAPRICORN (Dec. 22-Jan. 19). The work itself won't get any easier, but you'll get better at it, and therefore it will be easier to you. This is the preferred way. You'd rather grow in skill and strength than have the rest of the world shrink. of the world shrink

AQUARIUS (Jan. 20-Feb. 18). Some things need nurturing to grow, but what you're dealing with now is like a wildflower that pops up where it pleases -- the side of the freeway, through the cracks of cement... It will thrive on its own volition hrive on its own volition.

PISCES (Feb. 19-March 20). Human eyes are`limited. We have but two and they are not nearly as keen as
