ARIES (March 21-April 19). Situations are not stressful in their own right. It is our assessment and in-terpretation that drives the stress levels we experience. Thought of the day: There is always another in terpretation.

TAURUS (April 20-May 20). The big ger picture will not be served if you change the rules for every individual request. Stick to the rules and the structures today. If you make an exception for one person, then you'll have to make it for all people.

GEMINI (May 21-June 21). Sacrifice is always the necessary trade for things of value -- no sacrifice, no value. Instant gratification isn't free It will be paid for eventually. Oddly enough, those who get used to sacrifice begin to actually enjoy it.

CANCER (June 22-July 22). Humar beings behave irrationally. This is the rule, not the exception. A lot of time and energy get wasted com-plaining about irrational things othe humans do. Conserve your energy

by expecting surprising problems.

LEO (July 23-Aug. 22). You'll come up with a plan. They won't all like it Some, in fact, would rally against i if they knew what it was. So, it's a good thing they don't. Keep it like that for a while.

VIRGO (Aug. 23-Sept. 22). If you set out on the journey ill-prepared and unsure, you'll be beginning the way most beginners do. This is the magic (and fun!) of being a beginne -- inadequate means and imperfec odds of success.

LIBRA (Sept. 23-Oct. 23). When you find yourself arguing with the basic tenants of society -- the way people dress, talk or drive -- tire way peo-ple dress, talk or drive -- it's a sign that you're due for some "me time," resting, breathing and stretching in more than just physical ways.

SCORPIO (Oct. 24-Nov. 21). There are those who know exactly what they want, and they are very likely to get it. Though what happens after that may be that they want some-thing else. After all, states of satisfaction can only last so long.

SAGITTARIUS (Nov. 22-Dec. 21). You'll hear from an old friend. You might be surprised by different peo-ple's trajectories, and they might be surprised about yours. Surprise can life affirming. There is always more to know.

CAPRICORN (Dec. 22-Jan. 19).
"Would you?" is a very different
question from "will you?" And while
you'll gather some interesting information from the "would you?" question, all that matters in the end is the will you?" question. AQUARIUS (Jan. 20-Feb. 18). One

behavior will not suit all outcomes. For instance, what you do to create trust is different from what you do to elicit desire. Decide on what you want to accomplish and work back PISCES (Feb. 19-March 20). When

people are doing a certain thing to fit in with the environment and you don't feel compelled to do the same thing, consider the very fun, adven turous possibility that you might be better suited to a different environ

TODAY'S BIRTHDAY (April 6). The solar return has so many gifts for you -- a new way of thinking, a better place to work and a chance to make a difference in the world. Family bands together for a common cause. Your investment in another cause. Your investment in anothe person will prove to be the best way to learn and grow. Your curiosity will lead to a beautiful alliance. Gemini and Capricorn adore you. Your lucky numbers are: 4, 40, 22, 11 and 9.
