BY DEAN YOUNG & JOHN MARSHALL

YOU KNOW, BOSS...I THOUGHT MY SUCCESSFUL PRESENTATION THIS MORNING DESERVED AT LEAST A THUMBS-UP FROM YOU

HECK, I CAN DO BETTER THAN THAT, BUMSTEAD!

HOW ABOUT AN ELEGANT DEEP BOW FROM THE WAIST?

OR A HEARTY ROUND OF APPLAUSE?

CLAP CLAP CLAP !!

OR MAYBE A SNAPPY TAP DANCE IN YOUR HONOR

TAPPITY TAPPITY

TAPPITY

AND LAST BUT NOT LEAST...

TWO THUMBS UP!

ANYTHING ELSE?

NO, I'M GOOD, BOSS

PHOEBE AND HER UNICORN

BY DANA SIMPSON

Phoebe! Why did you not tell me about Robin Hood?

Was I supposed to?

Well, I have just learned of this human legend, and it has inspired me.

I wish to become the unicorn equivalent. I, too, shall steal from the rich and give to the poor.

Who are you gonna steal from, then?

That is difficult. Unicorns do not seek wealth, as humans understand it.

We measure wealth in other ways, mainly related to magic and beauty.

So...I shall steal from myself one sparkle!

Oo de lally.

Golly, what a day!

And give it to a being less rich in those things! You may wear it on your nose.
