Introducing Oticon Opn™ with BrainHearing™ technology.

Finally there's a hearing device that works in harmony with your brain, constantly scanning your listening environment so you can distinguish speech from noise. It's Oticon Opn™. Only Opn uses Oticon's exclusive BrainHearing™ technology to process all the sounds around you exceptionally fast. As a result, you can understand speech better and focus on what's important, even in complex listening environments. And because Opn takes the work out of hearing, your brain will be free to do other tasks, like remembering more of your conversations. Oticon Opn is the smart choice for effortless, more natural hearing.
