Note: "Nora" is a 5 year old palomino mare that is very well bred. Her sire, A Shine N Time, is an NRCHA money earner as well as a multiple event producer. A Shine N Time has offspring that are successful competitors in the working cowhorse, reining, barrels, and roping arenas. Nora is quick footed and very cowy. She also has a lot of natural stop to her and would make an excellent heel horse or breakaway horse prospect. Nora has spent the last 60 days working in the feedlot. This mare is well bred and ready to work. See her in the preview. Contact Justin at 208-602-1936

Note: Biscuit is a finished heel horse that you can go win on. I was the high call back on him the second time I ever rode him. He has had enough calves doctored on him in the pasture that I think it wouldn't take much to make him into a calf or breakaway horse. He's had money won on him in the World Series in the number 11 & 12. He's also been to the IMPRA finals a few times. **Pen 56**
