GABRIEL

GRADE • 2000 • PINTO PONY GREY GELDING

Consignor: Jerri Emert, Echo, OR

Note: Gabriel is 13.2-hand grey pinto pony. He is a people-loving little guy, who has packed in the mountains and helps us move and sort cattle. He has been my lesson pony in the round pen. He has had youth riders and adults gather cattle with him. Easy to catch, bathe, and good for farrier. Has real good feet and is an easy keeper. We have young horses coming up and the grandkids outgrew him. **Pen 36**

Consignor: Dave Moyle, Weiser, ID

Note: Nice appendix broodmare, good to handle. Has raised 3 terrific colts for us. Foundation breeding on the top and tons of old school run on the bottom. Please look into this mare's pedigree. There are 3 All American Futurity winners one off her papers (EASY JET, GO MAN GO and JET DECK). The only reason we are selling her, is we lost one of our pasture leases. This mare may have foal before sale time. She is pasture bred to our stud FOUR P WAYWARD FRITZ, April 25-Aug. 1, 2017. **Pen 37**
