Consignor: Bonnie Hamlin, Hermiston, OR

Note: This little gal is definitely going to be an athlete and loaded with cow!! Peppy's pedigree is full of cowhorses with credentials. Her sire is an NRCHA \$\$ earner and came out of retirement to win the ORCHA all around. He's also won in the Ranch Horse classes! Her bottom side is full of top notch cutting horses, not pasture pets! She is very athletic, and smart. Peppy is a pretty filly and she's healthy and sound. I'd bet the barn that this filly will be a winner at whatever direction you take her. Eligible for SRPHC Ranch Horse Futurities. Coggins. **Pen 20**

Note: Mo is a big, stout brood mare that came from the Rhodes Ranch in Tuscaora, NV. She throws big colts that are a dream to be around. Mo is halter broke, but to our knowledge she was never broke to ride. We have had colts from 4 different studs from her and have loved every one. By no fault of her own is she up for sale. Life changes occur and it is time to cut back on the number of horses we have around. Please feel free to call if you have any questions 541-591-9614. **Pen 62**
