show up. You want to show up and know that they feel you there. You want to show up in such a way as to make sure that people will miss you when you don't

GEMINI (May 21-June 21). Efficien cy is partly about good planning and mostly about dealing well with people. When people feel part of the team, they'll place a high priority on what needs to be accomplished for the win.

CANCER (June 22-July 22). You have someone powerful on your side, rooting for you to do whatever it takes for maximum vitality -- and that someone is you. All success will spring from taking excellent care of yourself vourself.

LEO (July 23-Aug. 22). Should you knock yourself out to try and win over the very skeptical powers that be, or should you run the other direction from what's clearly a no-win situation? Choose the action that will make you feel the best about vourself.

VIRGO (Aug. 23-Sept. 22). The magic and momentum will begin when your goals match up nicely with the goals of another. If this isn't happening, it's not you; it's the situ-ation. Keep moving and looking for a match a match.

LIBRA (Sept. 23-Oct. 23). Your sen-sitivity to diet is turned up today, and you'll be more affected than usual by the foods you eat. Make a plan and stick to it no matter what. This will bring you peace and optimum results

SCORPIO (Oct. 24-Nov. 21). Being able to control your state of mind will be huge. To determine the state that would be most suited to the job and your head there... well, that pretty much guarantees success today.

SAGITTARIUS (Nov. 22-Dec. 21). The least powerful people are the ones who believe they are small. They'll show this by being nasty to underlings. Truly important people treat everyone with respect.

CAPRICORN (Dec. 22-Jan. 19). The situation you're in today is not a zero-sum game. People need what you're offering just as much as they need what others are offering. You're in direct competition with no one

AQUARIUS (Jan. 20-Feb. 18). There will be those who look at everything as a "you" problem or a "me" prob-lem. Those are the hardest ones to deal with. If you can create a team mentality, then everything will turn into "we," and you'll all get a lot ac-complished complished.

PISCES (Feb. 19-March 20). Peo-ple don't want to be told what to do. They don't even want to be told what other people did to create success. People just want acknowledgement redry. Thethe all Cherce a king word today. That's all. Share a kind word, and they'll be all ears.

TODAY'S BIRTHDAY (May 16). Much of your story is outside of your control, but when you take charge of what you can, you'll create an im-proved and truly customized future for yourself. Three key allies will help you. Recognize who's on your side and who's not. Mostly this is about feeling supported. June and Sep-tember bring easy money. Pisces and Virgo adore you. Your lucky numbers are: 7, 40, 33, 8 and 45.
