

STATE TRACK: ‘I knew this year was going to be a good year’

Continued from 1B

He followed it up with a second place finish in the 300-meter hurdles (39.22) and ran the first leg of the 4x400-meter relay where the Bulldogs finished ninth (3:30.94).

“Everybody sees the highs of this year,” Rohrman said. “I knew this year was going to be a good year. It’s unreal.”

Rohrman wasn’t the only Bulldog to take home some hardware. The Hermiston girls track and field team finished third overall with 50 points to cap off two successful days in the field and on the track.

“I was looking at the schedule today and I was like, ‘We have a girl or multiple girls in every single race except one that was on the track today,’” head coach Emilee Strot said. “It was so impressive, we’ve never had that happen before.”

The 4x100-meter relay was facing a fast squad from Bend in the second heat of the timed finals. The Bulldogs finished just a couple of seconds behind the Lava Bears and took second place with a time of 49.05. Scout Reagan rounded out the top five in 12.49 in the girls 100-meter dash. Elsa Torres finished in sixth place in the 400-meter dash after clocking 1:00.13.

Madison Wilson finished second in the girls 100-meter hurdles. She was stride-for-stride with this year’s state champion, Quin Fraley of Summit, and was edged out of the title by just seven one-hundredths of a second. She returned for the 300-meter hurdles, where she placed fifth (46.70).

In Amanda Nygard’s first appearance at state, the freshman rounded out the top eight in the girls 800-meter run (2:23.86). Isaac Sanchez ran in the boys 800 meters before joining the Bulldogs’ 4x400-meter relay team. Sanchez placed fourth with a time of 1:57.53.

The girls 4x400-meter relay team competed in one of the last events of the day. Thanks to the efforts of anchor Torres, the Bulldogs finished in sixth place (4:07.70). Hermiston was falling behind at certain points in the race, but after making the last turn Torres kicked it up a gear to close the gap between the Bull-

dogs and fifth-place Bend. Stephanie Miears helped the team round out the top three by highlighting Hermiston’s field performances, competing in both the girls discus and shot put.

First in the discus throw, Miears was up against a tough field with top throws hailing from Summit, Sandy and Bend. She fared well amongst the competition and improved throughout her six attempts to record a new personal record (PR) of 124-1, which was good for fourth place.

Miears then turned around to compete in the shot put, where she was the top seed with a mark of 41-05.00. However, she matched her discus finish and claimed fourth after

throwing for 38-08.50.

On the boys side, Hermiston senior Joey Gutierrez earned one of two wild card spots in the javelin throw and in only his third appearance on the runway, earned seventh place with a throw of 158-08.

Hermiston’s Jackson Morgan made it onto the podium in the high jump after a clearance of 6-02.00. Carson Wrathall was one of the last Bulldogs competing in field events. He finished ninth in the boys pole vault (13-00.25).

Joining the Bulldogs on Day 3 were a handful of Pendleton Buckaroos. Despite not having any title winners on the final day of competition, Pendleton fared well in multi-

ple events — especially with some Hayward Field first-timers.

In the field, Hunter Kiele missed the podium by about 10 feet in the girls discus throw, finishing in 10th with her best of the day being 103-02.

The Bucks also had athletes in both the boys and girls triple jump.

After her state championship performance yesterday in the javelin throw, Emanuela Casadei returned to the field for the girls long jump. She finished in 12th after leaping 32-07.75.

Sophomore Edwin Linares represented the Bucks in the boys triple jump, where his best distance was 40-03.25, which was good for 10th place.

Shawn Yeager made an appearance on the final day of competition as well, and finished ninth in the boys high jump after clearing 6 feet even.

In the boys 110-meter hurdles, Lane Maher placed fourth with a time of 15.36, and followed it up with a personal best of 39.99 seconds in the 300-meter hurdles. Maher’s efforts earned him third place and the best Buckaroo finish on the day.
