TUESDAY, MAY 29, 2018 ARIES (March 21-April 19). In sit uations in which one person's preference or opinion is tacitly understood to carry more weight than everyone else's -- enough! This is getting old! You might dismantle the unjust power structure by simply re-fusing to take part in it.

TAURUS (April 20-May 20). You'll est your attention and hours i what makes you happy. It's a great strategy. You can't go wrong with this -- not in the long term, and not

over the course of this day. GEMINI (May 21-June 21). What good is it to feel another person's pain unless one is also moved to help relieve it? Your compassion hits you like a call to action today and this could significantly alter

your original plans. CANCER (June 22-July 22). Technically, discoveries are made by those who got there first, though they are often credited to those who got there loudest, most powerfully and with great support. Question of the day: How important is it to stake

LEO (July 23-Aug. 22). You'll get together with people who happen to be in a different mood than you are. So, whose mood prevails? Do both meet somewhere in the middle? Hopefully, the better mood wil lift the other.

VIRGO (Aug. 23-Sept. 22). Work fast so you can play slow, or at least play without distraction for nice blocks of time. This will be a reward to savor, and, better yet, it will lead

to more of the same. LIBRA (Sept. 23-Oct. 23). Loving people do not always get to choose how that love gets distributed. You'll set out to direct your focus on one who always rewards it, and yet there will be others who need you

SCORPIO (Oct. 24-Nov. 21). As much as you would like to be able to explore every option, there won't be time for meandering. Your intuition will come in the form of a prefer ence. It will be practically impossi ble to miss this one.
