our patients with the highest
quality care and offering af-
fordable healthcare options.

*Our mission celebrates
diversity. We are committed
to equal opportunity
employment.*

FRIDAY, JUNE 8, 2018

ARIES (March 21-April 19). Close
your eyes and breathe through the
intense moments of the day. Without
visual stimulus you'll get internally
focused. You can breathe out the
stress and breathe in all that's nec-
essary for an optimum state of mind.

TAURUS (April 20-May 20). We're
told over and over that life isn't
fair. We see with our own eyes that
it's not. And yet, the belief that life
should be fair still permeates our
thinking. Those who know this is
an unjust life will be ever vigilant in
working toward fairness.

GEMINI (May 21-June 21). Com-
mercial purposes serve the client.
Artistic purposes serve the muse. It
will benefit your soul and your pock-
etbook to do a little of each type of
service in the days to come.

CANCER (June 22-July 22). Stick
your neck out and seek opportunity,
because even though it's fallen in
your lap before (and will again), the
best options will arise from a con-
certed effort on your part.

LEO (July 23-Aug. 22). We're all
just trying to get along using what
we have to work with. Perhaps it
will help you to think of someone
whom you once would have called
"disabled" as, more aptly, "differently
abled."

VIRGO (Aug. 23-Sept. 22). Meta-
phorically speaking, instead of short
seats or tall seats, consider an ad-
justable seat. It will cost more, but
unlike short and tall seats, which are
only totally correct in one scenario,
adjustable seats will be continually
useful.

LIBRA (Sept. 23-Oct. 23). When
people won't listen to you, listen to
them. They'll (indirectly and acciden-
tally) tell you where their weaknes-
es are and what they're missing.
You'll learn all you need to know to
make your next move.

SCORPIO (Oct. 24-Nov. 21). You
think you know what they're trying to
say, but you ask questions anyway.
Conversely, you don't expect others
to readily understand your message,
so you pose it a few different ways,
making it bulletproof.

SAGITTARIUS (Nov. 22-Dec. 21).
The outcome you're worried about is
unlikely -- that is, unless you keep up
the worry, in which case your fixation
will trick your mind into assuming
you want that scenario, and it will do
everything in its power to make it so.

CAPRICORN (Dec. 22-Jan. 19).
There is only one person in your
life you can truly change, and that's
you. Even that takes a considerable
amount of effort. Remember this fact
of life and save yourself some trou-
ble.

AQUARIUS (Jan. 20-Feb. 18). More
people getting involved doesn't nec-
essarily mean more productivity.
The work will still only be done by
the same people who were doing it
before -- namely, you and your crew.
Seek efficient solutions for a tight
team.

PISCES (Feb. 19-March 20). In text,
email and conversations that happen
in real time, there are no take-backs.
Be thoughtful. Plan it out. Consider
where it could go wrong. Imagine
multiple responses and refutes. Be
ready. This one is important.

TODAY'S BIRTHDAY (June 8). This
solar return is characterized by your
determined attitude. While it's not
possible to do every single thing you
want to do, you'll hit the big three
on your list and throw a party each
time one gets checked off. Model the
behavior you'd like to see in your
friends and kin, as they will be fol-
lowing you closer than ever. Aries and
Cancer adore you. Your lucky num-
bers are: 1, 30, 33, 28 and 4.
