REGISTERED NURSE –
FULL TIME

This position is responsible for nursing intervention services including patient screening, case management, maintaining healthcare records, patient referral and related nursing duties. Must be able to perform duties independently, maintain accurate and timely records using selected software and computer systems, deal with highly sensitive information in a confidential manner, and perform other routine nursing duties. Requires graduation from an accredited technical school of nursing; ADN. Also requires current licensure as a RN in the State of Oregon, BLS certification and two (2) years of ambulatory care nursing or emergency/urgent care experience.

LICENSED PRACTICAL NURSE
FULL TIME

This position is responsible for assisting with nursing intervention services including conducting patient interviews and triage, using standard diagnostic technology, taking and ordering inventory, and assisting the medical staff as they serve patients. Must be able to assist with accurate record-keeping using computer technology and selected software, and assist with message-taking, patient contact and other duties. Requires a high school diploma or equivalent, LPN certification and CPR certification with at least one (1) year of experience working in a clinical setting. Strongly prefer candidates working toward RN licensure within nine (9) months of hire.

Each opening requires candidates to submit a resume, Yellowhawk employment application and cover letter, in addition to copies of any credentials required for the job as outlined in the job description. All positions require applicants to pass a drug and alcohol screening test and background checks; most positions require a valid, insurable driver's license.

Yellowhawk gives hiring preference to CTUIR-enrolled tribal members, other members of federally recognized tribes, and veterans, in that order.
