EAST OREGONIAN

SPORTS REPORTER

The East Oregonian, a five-day daily newspaper in Pendleton, Ore., is looking for a full-time sports writer, based in nearby Hermiston, Ore. Job duties will include print and online coverage of high school, college and community sports and outdoor activities.

We're looking for a creative, energetic writer to produce compelling sports and outdoor features and to write game stories quickly on deadline. We want someone with strong writing skills who avoids cliches. The person hired will also edit on a limited basis and work with the Web.

The position offers a competitive salary, a solid benefits package and the opportunity to live in Eastern Oregon near the Blue Mountains, Columbia River and abundant outdoor recreation. It is also home to the famous Pendleton Round-Up rodeo and perennial high school state champion contenders.

Good driving record and reliable transportation required. Benefits include Paid Time Off (PTO), 401(k)/Roth 401(k) retirement plan and insurances.

EO-9684 SECRETARY OF STATE NOTICE OF PROPOSED RULEMAKING HEARING

Oregon Department of Agriculture, Food Safety & Animal Services Programs, Administrative Rules Chapter #603, Sue Gooch, Rules Coordinator, (503) 986-4583, AMEND: 603-024-0582, 603-024-0594. RULE SUMMARY: This rule proposes revisions to Oregon Administrative rules to (1) implement a recent change in statute and (2) correct an omission of a test parameter from a section of rule. The Pasteurized Milk Ordinance, a national model ordinance that ensures consistency of dairy product safety across the U.S. requires that a milk producer's license must be suspended following a milk sample violation for antibiotics. Until the 2017 legislative session, a provision in Oregon law prohibited ODA from suspending a producer's license for a first violation. Since this provision was inconsistent with the requirements of the PMO, ODA submitted a legislative concept to change the law, and this change became effective January 1, 2018 as a result of HB 2255 (2017). ODA proposes to revise our rules to allow suspension of a milk producer's license for a first positive antibiotic violation, which will bring us into consistency with the national Pasteurized Milk Ordinance. We also proposed to correct an oversight in a section of our rules that related to other milk safety violations. Somatic cell counts are an indicator of animal health and milk safety, and Oregon has adopted maximum standards for somatic cell counts in milk samples in rule. A separate section of the rule addresses suspension of grade designation privilege for repeated violations of milk safety standards, and the term "somatic cell count" has been inadvertently left out of this section of the rule. We proposed to add the term "somatic cell count" to this section of the rule. Hearing date: July 23, 2018 at 10:00 a.m. Location: Oregon Department of Agriculture, conference room "D," 635 Capitol St. NE, Salem, OR 97301. Last day for public comment is August 8, 2018.
