It's National Night Out with the neighbors

PENDLETON — At least 10 parties will be held in neighborhoods and city parks across town on Tuesday, Aug. 7, from 6 to 8 p.m.

Pendleton Police Department is supplying "party packs" to groups that registered early. Residents can still host block parties in their neighborhood and PPD

is willing to help with street closures if needed. This annual event helps build communities and safer neighborhoods by bringing people together. Get out with your family and meet your neighbors and your local law enforcement! Party locations will be posted on the Pendleton Police Department Facebook page.
